

A Series Exploring Virtues and Values for the 21st Century

With C3 Teacher Kent Dobson

“We are a community from all backgrounds, spiritual and secular, who have come together to honor and explore what it means to be fully human.”

C3 is a vibrant, values-based Community in an evolving world that inspires and empowers members in their quest to live a good life. We, in turn, engage and support others in the work for justice and compassion everywhere. We invite you to grow, learn, and add your own perspective.
