In appreciation

The community we now call C3 was established 153 years ago in 1870 as the First Reformed Church of Spring Lake. One of our current members was baptized there in 1941.

His great-great grandparents were charter members of this church.

One hundred years later, in 1971 the community changed it's name to the more inclusive Christ Community Church. In 1997 the community left the Reformed Church of America.

In 2004 we evolved again as a more progressive community. Christ Community Church took the "nickname" C3. In 2008 the community decided to change its name to C3 Exchange.

Financial pressures of many years led the us to walk away from from the large building in Spring Lake and regroup at the

Grand Haven Community Center for Sunday Gatherings in September of 2011.

Through these many years C3 has evolved and remains a vibrant inclusive community.

One reason for this continuity and vibrancy is the presence of those C3 members who have remained through all these changes. We call them "Longhaulers", those people who were part of the community in Spring Lake and have remained active members since we moved Sunday Gathering to the GACC (Central Park Place).
